This is a photo tour that is open to all, get your photo taken at any 5 Dams. When we receive your pictures and application fee, we will send you a pin that looks something like this:

Rules:

1. Any DAM will do. The “DAM” tour will run from May 28, 2010 thru October 31, 2010.
2. Your motorcycle, and the “Dam” sign must be in the picture. We would prefer that you be in the picture, but understand that you may be riding alone, and not have someone to take the picture.
3. If applying with a co-rider, the co-rider, motorcycle, and “DAM” sign must be in picture. Picture can be separate from rider picture.

We believe that all DAMs have a place near the sign where you can safely pull off the road and take your picture.
